THE MURER HOUSE FOUNDATION

Our Mission

The Murer House Foundation is dedicated to promoting Italian culture and heritage in Folsom and to preserving the historic house and grounds built by Giuseppe Murer in 1925.

In 1906, Giuseppe "Joe" Murer left his home in Crespano del Grappa near Venice, Italy. Two years later, Joe came to Folsom and spent the next 63 years erecting several distinctive buildings on historic Sutter Street, including the post office, fire station, the first gas station and remodeling the Folsom Hotel. During this time, he also built his home and gardens on Folsom Boulevard, the Murer House.

The Murer House Foundation celebrates true Italian culture and life.

We hope you'll join us and take part in the fun.
