Our Mission

The Murer House Foundation is dedicated to promoting Italian culture and heritage in Folsom and to preserving the historic house and grounds built by Giuseppe Murer in 1925.

In 1906, Giuseppe "Joe" Murer left his home in Crespano del Grappa near Venice, Italy. Two years later, Joe came to Folsom and spend the next 63 years erecting several distinctive buildings on historic Sutter Street, including the post office, fire station, the first gas station and remodeling the Folsom Hotel. During this time, he also built his home and gardens on Folsom boulevard, the Murer House.

Today the site includes five historic buildings, our new oyster shell bocce court and wood oven, and beautiful grounds. The Murer House Foundation celebrates true Italian culture and life. We welcome you to join us and take part in the fun.
