APRIL 9 - 19, 2018**

The Murer House is a non-profit organization that oversees programs and preservation at the Giuseppe Murer House in Folsom CA. Giuseppe, born in Crespano del Grappa, Italy, built his home in Folsom in 1925, which is now a historic property. This honor led to the establishment of a sister city relationship with Crespano in 1999.

This tour is a special people-to-people tour of his hometown and the Veneto area.
